

**FREE
Assembly!**

Clark County's

Save Organic Scraps

School Assembly Program

Grades K-8

Free recycling/composting assembly program presented by
Storyteller Will Hornyak (Young Audiences Artist of the Year 2004)

**EALR
Connections!**

Students interact in the presentation to learn
how their food waste turns into compost and
the importance of their participation in the SOS
Recycling Program

Educates students on the fundamentals of school
composting and the "Four R's": Reduce, Reuse,
Recycle, Rot!

Weaves together facts on sustainability with plenty
of memorable characters and plots

Grades K-2: 40 minutes
Grades 3-5: 50 minutes
Grades 6-8: 50 minutes long

“Will Hornyak is a world class storyteller, I can’t recommend him enough!”

- Joe Lapidus, Principal Chinook Elementary Vancouver

“Students and teachers were completely engaged in the stories and the message. The program was entertaining, participatory and educational”

– Clark County Teacher

Will Hornyak is a storyteller par excellence!
